

On The Way

Introduction

WHAT IS 'ON THE WAY'?

'On The Way' is Truro Diocese's response to making the church both fruitful and sustainable in every place. A root and branch review to discern the future for the church in your area.

WHAT IS GOING TO HAPPEN?

Teams are being established in each area to prayerfully explore how ministry might be developed and delivered in their local churches and communities. They will prayerfully listen to everyone as they plan together.

HOW LONG WILL IT TAKE?

The process is beginning now and will run till the middle of next year.

HOW CAN I FIND OUT MORE?

You can ask the PCC members or Deanery Synod members in your church. Join Bishop Hugh on the 7th December, 7:30pm for a special launch event. Visit our website www.powderdeanery.org to join the 'On The Way' mailing list or see our 'Frequently Asked Questions' sheet.

HOW CAN I BE INVOLVED?

Consider offering yourself to be on one of the teams who will discern the future. We are looking for people from all backgrounds. You might also consider being part of the team who will be praying for the whole process.

Join our email list and be kept up to date with 'On The Way' in Powder by visiting www.powderdeanery.org
