

On The Way

Update No.4

QUESTIONNAIRES

During the month of February 'On the Way' consultations have been taking place across our deanery. Thank you to the many people who have taken part so far.

This week we are able to launch another way people can feedback - our deanery-wide online questionnaire. This might be useful for anyone who has not been able to attend a consultation or contribute so far. This questionnaire can be used by church members but is especially designed for members of our local communities

and those outside normal church life. To access the

survey you can use the QR

Code below or visit

PRAYING TOGETHER

As the consultations continue, we are so grateful to our team of people praying for the 'On The Way' process in our deanery. If you would like to join the group of people who are praying you can sign up using the form at www.powderdeanery.org.

WHAT NEXT

The leadership teams for the different parts of the deanery will be combining and analysing the feedbacks, once the first round of consultations are complete. They will then begin to look at the priorities from the consultations alongside our deanery finances and resources. In March they will prayerfully begin to shape draft plans that will be fed back to Deanery Synod and PCCs in the next round of visits to local churches.
