THE RESULTS ARE IN

We are so pleased to announce that our On the Way plan was approved by the Deanery Synod on Monday 20th June, receiving a 92% positive vote. This is a clear and overwhelming endorsement of our plan and a great answer to our prayers. A huge thank you for all of the hard work, dedication and numerous hours put in by everyone involved in developing the plan.

Thank you for all of your prayers and support during this difficult process.

EXCITING TIMES AHEAD

We are very aware that building the plan is only the beginning. Now comes the task of delivering on our aims. From the establishment of local ministers in every church, the introduction of oversight ministers, the guild, a new focus on those in our most deprived communities to creation care and our focus on global missions – there is much for us to now do.

In our deanery we are excited for all the churches as they begin life 'On The Way'. It will mean a new way of working as a deanery, sharing together and supporting one another.

We are looking forward to seeing all that God has planned for us as we work together to share his good news.

WHAT COMES NEXT

We are now starting to appoint our Deanery Standing Committee who will be working closely with the diocese and the implementation teams in each Mission Area (Truro, Probus and Roseland). We appreciate your patience as we start this.

WE WELCOME YOUR PRAYER

As we move forward we would really value your prayer for:

- God's Kingdom to be at the forefront of our minds.
- Open and clear communication between churches as we start to work together.
- Wisdom for the Standing Committee and Implementation Teams as they begin this process
